Please e-mail Ms. Conway with any conflicts. We support you doing other activities, as long as you are responsible for your own schedule and do your best to coordinate your conflicts as best you can. Any time you CAN be at rehearsal is better than no time. If you have to miss weekend rehearsals for any reason please be aware that this could affect your placement in the show for the parts you miss simply because it is not fair for those that are at rehearsal to be held back.
