

Homestead Festival

Homestead High School 21370 Homestead Road Cupertino, CA 95014

Friday, February 8th 2013

Hello everyone,

The Homestead Festival is fast approaching and we have been given our times for performance. This festival features 18 different orchestras, tracked down and invited as representatives of the top groups in Northern California. It is an adjudicated event with some of the best educators over the last 40 years and should be an incredible opportunity for the students to be evaluated on their strengths and weaknesses as musicians and members of the orchestra. There is also an observation component so that everyone can hear each other.

Redwood students will be dropped off and picked up by their parents at Homestead High School since they have later performance times.

What to remember:

Uniform – we are performing in our full orchestra uniform – all black including shirt, pants, belt, socks and shoes. All should be formal i.e. no tennis shoes, jeans, etc. The shirts and ties should have arrived for Redwood students. As in the past, dress pants, shoes and socks are provided by the parents.

Music and Instrument ☺ Music should be in order in a binder. Everyone should bring their binder. It is always a good idea to have an extra set of strings and rosin.
