

PERCUSSION

First day of Percussion Fundamentals: Wednesday, September 23

Percussion Fundamentals during Distance Learning:
Wednesdays, 3:45-4:30 PM on Zoom

*Please support us online at bit.ly/smbusd.
We cannot offer our programs without your help!*

Percussion Fundamentals

For students brand new to music interested in playing concert band (and eventually marching) percussion, or for students with some musical experience on other instruments who are interested in learning the fundamentals of concert percussion as well.

Materials:

- A “**gum rubber**” **single-sided practice pad**, 10-12” (such as the Vic Firth PAD12)
- A pair of **Vic Firth SD1 drumsticks**
- A **bell kit** (Many percussion brands make these small keyboard instruments. As long as it has the instrument and a pair of mallets you are good to go, and the least expensive one you can find is ok! Many come with other accessories, though they are not necessary to have.)
- A **metronome** (recommended: [Boss DB-30](https://www.boss.com/products/db-30))
- These items can be found at most music stores or online.

For more information and a full list of all music opportunities we offer, click to [redwoodmusic.us](https://www.redwoodmusic.us)
