

Redwood Choir Performs with SHS 2014

version 2.0

Dear Redwood Choir Parents & Students,

Believe it or not, it is already October. This means it is almost time for our first performance of the school year at the SHS Fall Choir Concert! This is happening on Monday evening, November 3. Remember – we will be performing toward the beginning of the concert, then with all choirs together for the finale. Please plan accordingly!

Please report to Saratoga High School McAfee Theater before 5:50 PM dressed in uniform (see attached).

Parents should drop students off and then return again at 6:50. Doors will not be open until this time.

Family and friends are highly encouraged to attend the performance to support our students as well as our fantastic SHS choir peers!

Best wishes for a fun Halloween!
