

*Griffin Band Students:*

# YOU HAVE NEW SMARTMUSIC PRACTICE ASSIGNMENTS THIS WEEK!

**LOG ON** to your account to view them and work on them as necessary.

You have two **exercises** due to submit on Tuesday, and two more on Thursday.

Additionally, you also have a **practice record** of AT LEAST 30 minutes due by Friday. Click on the blue text under the "Practice reports" section on the Griffin band SmartMusic page to check your status and read more information. Remember, the timer starts when you begin playing an exercise and stops when the exercise is through. The total time that you practice will automatically be submitted and calculated for points on Friday.

BE SURE TO LOG IN TO YOUR ACCOUNT EVERY TIME THAT YOU USE SMARTMUSIC SO THAT IT LOGS YOUR PRACTICE TIME!

*(If you want to practice on instruments other than your primary one, you must log off of your account to be able to do so. This time will not count toward your practice report.)*
